

SHIMMY ALL OVER BELLY DANCERS

“WILD BUSH GIRLS AND THEIR CRAZY WAYS”

Three years ago a group of likeminded women from Coomalie, Litchfield and Humpty Doo formed ‘Shimmy All Over Belly Dancers’. Their group includes mothers, daughters, friends and strangers. Each forms a lifetime bond learning the routines all to the backdrop of heaps of giggling and laughter.

The traditionally inspired, eclectic coloured dreamy costumes are original, with many interesting trips to 2nd hand shops in search of a fantastic piece to add to their wardrobes. Vanessa Bauman from ‘Midnight Oasis’ drives out each week and guides the ladies with her professional knowledge.

It’s wonderful fun for all. Belly dancing breaks down shyness and body issue barriers and gives amazing confidence. This is evident in some of the great events the dancers have been to - the crowds love them! Look out for them at your next community event.

A Festival regular, the Shimmy All Over Belly Dancers will join us for their fourth year at the Lingalonga Festival. Check the program of events for performance times.
